Participants wishing to ask questions may access the live call by dialing (877) 217- 6026 conference ID # 21186139. A replay of the conference call will be available for 90 days on the Company web site at [www.ProPhaseLabs.com](http://www.ProPhaseLabs.com).

### About ProPhase Labs

ProPhase Labs is a diversified natural health medical science company. It is a leading marketer and manufacturer of the Cold-EEZE® family of lozenges and sugar free tablets clinically proven to significantly reduce the severity and duration of the common cold. Cold-EEZE customers include leading national retailers, chain food, drug and mass merchandise stores, wholesalers and distributors, as well as independent pharmacies. ProPhase Labs has several wholly owned subsidiaries including a manufacturing unit, which consists of an FDA approved facility to manufacture Cold-EEZE lozenges and fulfill other contract manufacturing opportunities. ProPhase also owns 50% of Phusion Laboratories LLC ("Phusion"). Phusion licenses a revolutionary proprietary technology that has the potential to improve the delivery and/or efficacy of many active ingredients or compounds. The joint venture will formulate and test products to exploit market opportunities within ProPhase's robust OTC distribution channels.
